

REMARKS

In the present Office Action, the Examiner acknowledges that claims 1 and 5 are allowed, but objects to the specification, stating that “The specification cites Tables 1-5 (e.g., pages 13, 15, 16, 22, 25, and 29), however, there are no tables in the specification” (Office Action, p. 2). In response, Applicants amend pages 13, 15, 16, 22, 25, and 29 of the specification to remove reference to Tables 1-5. Therefore, Applicants respectfully request that this objection be withdrawn.

CONCLUSION

In light of the foregoing amendment and remarks, and the Examiner's allowance of claims 1 and 5 noted in the Office Action dated July 15, 2004, Applicants submit that all of the requirements for allowance of this application have been met. Accordingly, Applicants respectfully request notification to that effect and issuance of a Notice of Allowance.

If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,

Date: 18 July 2004
